

LEAPS meets Advanced Materials for Energy Conference 2025

Tuesday, 20 May 2025

Energy Carriers/Utilization: Power-to-X and back (green hydrogen, CO2 conversion, ammonia synthesis, fuel cells). (08:45 - 10:15)

Energy Carriers/Utilization: Chemical energy storage (hydrogen carriers), Thermal fuel generation and storage technologies. (10:45 - 12:15)

Energy Carriers/Utilization: Carbon capture, utilization, and storage. (18:00 - 19:30)
